

New appointment booking platform for COVID, Cold and Flu Care Clinics

If you are experiencing COVID symptoms and need to see a health care professional to assess your symptoms you can book an appointment at any COVID, Cold and Flu Care Clinic using this new appointment-booking site. **This site will allow you to book appointments for assessment, swabs and vaccination at any of the COVID, Cold and Flu Care Clinics across our region.**

You should go to a COVID, Cold and Flu Care Clinic if you:

Are experiencing moderate cold, flu or COVID-like symptoms

AND

Have been directed by your family health care professional

OR

Cannot access or do not have a physician and are unwell

OR

Require a physician to assess your symptoms and recommend next steps

Our clinicians will provide you with a thorough assessment of your symptoms and risks and help determine what actions should be taken to help you recover from your symptoms.

If you require a COVID vaccination and/or boosters, you can book them on the site as well.

Please visit care-clinics.ca to book an appointment with a clinic near you.

Please book online or call ahead.

If you need immediate medical care, always call 911 or visit your nearest emergency department.
